TELEGRAM

***To His Serene Highness Sovereign-Prince Jean-Pierre IV of Aigues-Mortes and Her Serene Highness Princess Olivia-Eugénie of Aigues-Mortes
October 12, 2025***

The Republic of Vestina extends its highest respect to the Principality of Aigues-Mortes and sincerely commends Your Sovereign State's commitment to fostering local culture, creativity, mutual respect, equality, and human rights, as reflected in the official materials of the Principality.

On behalf of the Republic of Vestina, I have the honor to propose the establishment of official diplomatic relations between the Republic of Vestina and the Principality of Aigues-Mortes.

We view this step as an opportunity to:

1. Deepen friendly and cultural ties between our peoples;
2. Promote information exchange and cooperation in the fields of education, art, and environmental initiatives;
3. Uphold respect for human rights, gender equality, diversity, and sustainable development;
4. Enable mutual recognition and access to diplomatic consultations, as well as cooperation in international forums and events of mutual significance.

We would be grateful if the Principality of Aigues-Mortes would kindly consider our initiative and give its consent to exchange diplomatic notes and to hold consultations on the format and procedures of cooperation.

The Republic of Vestina reaffirms its intention to enter into further discussions to define the forms of cooperation, as well as the practical and legal aspects of establishing bilateral relations.

We express our hope that this proposal will be received by Your Excellencies with the same goodwill and readiness for cooperation that characterize Your efforts in the development of the Principality of Aigues-Mortes.

**With best wishes for success in Your endeavors,
Evgeniy Kogtev
President of the Republic of Vestina**
